**Dissertations Completed  
Additions and Corrections to 1977 Listing**

---

Charles Johnson Fox, Claremont Graduate School, was listed in the Fall 1977 *PS* in the dissertation list under the Political Stability and Instability section for a title of "Marxist Institute of Banana Republic Exploitation." Actually, his title was "Epistemological Issues in Political Science: Orthodoxy versus Phenomenology" and should have been listed under Political Theory. *PS* regrets this error.
