Proceedings of the Nutrition Society

CONTENTS OF VOL. 46, No. 2, JULY 1987

SYMPOSIUM PROCEEDINGS

*Four Hundred and Twenty-fourth Scientific Meeting
University of Leeds, Leeds*

24/25 MARCH 1986

NUTRITION AND REPRODUCTION

*Chairmen: G. E. LAMMING, School of Agriculture, University of Nottingham
J. DOBBING, Department of Child Health, University of Manchester*

	PAGE
INTRODUCTION	157-158
STEINER ROBERT A. Nutritional and metabolic factors in the regulation of reproductive hormone secretion in the primate	159-175
KIRKWOOD R. N., CUMMING D. C. & AHERNE F. X. Nutrition and puberty in the female	177-192
FORBES J. M. Voluntary food intake and reproduction	193-201
LOUDON ANDREW Nutritional effects on puberty and lactational infertility in mammals: some interspecies considerations	203-216
HOCKING P. M. Nutritional interactions with reproduction in birds	217-225
SELLER MARY J. Nutritionally induced congenital defects	227-235
WHITAKER ELAINE M. Obesity and reproduction	237-247
MELLOR D. J. Nutritional effects on the fetus and mammary gland during pregnancy	249-257

DISCUSSION

*Formed part of the Four Hundred and Twenty-sixth Scientific Meeting
Robin Brook Centre, St Bartholomew's Hospital, West Smithfield, London*

20 MAY 1986

FAMINE

Chairman: J. C. WATERLOW, London School of Hygiene and Tropical Medicine, London

Introductory papers

WATERLOW J. C. Introductory remarks	259-261
CUTLER P. Early warning of famine: a red herring?	263-266
SEAMAN J. The limits to the use of international aid as a means of securing improvements in food production and nutrition	267-272
NABARRO DAVID Teaching programme staff to identify likely food shortages and to tackle their consequences	273-279
CLAY E. J. European food aid as a tool for relief and development in Sub-Saharan Africa	281-300
ØRSKOV E. R. The role of livestock in Africa: are livestock occasionally contributing to famine?	301-308
General discussion	309-319

Guest Lecture

*Presented at the Four Hundred and Thirty-fourth Scientific Meeting
Royal Society of Medicine, 1 Wimpole Street, London*

16 FEBRUARY 1987

CARE A. D. Placental transfer of calcium to the ovine fetus and its regulation	321-329
--	---------

ABSTRACTS OF COMMUNICATIONS

*Four Hundred and Thirty-second Scientific Meeting
One Hundred and Seventy-first Scottish Meeting*

Pollock Halls, University of Edinburgh, Edinburgh

24/25 SEPTEMBER 1986

QUARTERMAN J., ANDERSON J. H. & McDONALD ALISON The effects of fasting and fibre supplements on some metal-binding properties of rat intestinal mucus	52A
LAWSON MARGARET S., BUNKER VALDA W. & CLAYTON BARBARA E. The effect of dietary fibre on apparent absorption of zinc, copper, iron and manganese in the elderly	53A
