# POLITICS *and* RELIGION

**Editors:**

Ted G. Jelen, *University of Nevada at Las Vegas, USA*

Sabrina P. Ramet, *Norwegian University of Science and Technology, Norway*

*Politics and Religion* provides original research into all aspects of the relationship between politics and religion around the world. The impact of religion on political attitudes, decision-making, and public policy development is analyzed, with topics ranging from abortion laws, sex education in schools, and stem cell research to transnational terrorism, morality, social justice, and human rights.

Multidisciplinary and international in scope, contributions come from all relevant areas, including political science, theology, law, philosophy, sociology, history, area studies, and economics. Studies of public religion, secular-religious conflicts, and political divisions within a religion – from within and outside the Judeo-Christian tradition, including works from Islamic, Hindu, Buddhist and scholars of Eastern traditions – are especially welcome.

Book reviews are also part of the journal's coverage.
