Abstracts of the  
3rd International Conference on Psychiatry  
and Neurorestoratology (ICPN2023)  
October 27-28, 2023  
Zhengzhou, China

**Applied Psychiatry & Psychology, and Global Mental  
Health Challenges to A More Resilient Community**

Guest Editor:  
Professor Osman Sinanović

The abstracts of the 3rd International Conference on Psychiatry and Neurorestoratology (ICPN2023), October 27-28, 2023 are published as a special supplement to CNS Spectrums

**Peer review process:**

Abstracts were reviewed by the Local Organizing Committee of the International Conference on Psychiatry and Neurorestoratology rather than by the standard *CNS Spectrums* peer review process and should not be quoted as peer-reviewed by *CNS Spectrums* in any subsequent publication.

**Disclaimer:**

The abstracts have been published using author-supplied copy, with only minor editing made to correct spelling, style, and format where appropriate. No responsibility is assumed for any claims, instruction or methods contained in the abstracts and it is recommended that these be verified independently.
