MATHEMATIKA is published by the Department of Mathematics, University College London. It contains original notes and memoirs on mathematics and its applications. Any diagram submitted with manuscripts should be of a size not exceeding 1·5 times the final size for printing. Authors are requested to submit a copy with their original manuscript. Each author of each article published will receive 50 reprints free.

Two parts of MATHEMATIKA are published each year. The parts normally appear in June and December, but are sometimes delayed.

The subscription price for the volume of two parts for 1988 is £36.00. Cheques and Bankers' drafts should be made payable to UNIVERSITY COLLEGE LONDON and should be sent to
