ST AUGUSTINE ON MILITARY SERVICE.

Sed bellum geritur ut pax adquiratur. Esto ergo etiam bellando pacificus, ut eos, quos expugnas, ad pacis utilitatem vincendo perducas.'

Epis. 189—6.

The Legion calls, yet make your purpose Peace,
What other aim of war, but wars to cease?
And so wage war, that he whom you attack,
With you a prisoner of Peace comes back.

JOHN SEARLE.
