NEWS FROM THE SOCIETY-

The American Society of Law & Medicine proudly announces the publication of the inaugural issue of its new, law-review modeled *American Journal of Law & Medicine*—a periodical designed to provide its readers with an in-depth approach to the many areas where law, medicine, insurance and the judiciary interrelate.

The Officers and Council of the Society gratefully acknowledge the tireless efforts of Editor-in-Chief John A. Norris, J.D., M.B.A. and the Journal's Board of Editors who have made this new and unique publication a landmark contribution to the literature of law and medicine. We congratulate them on a job well-done.
