Nationalities Papers is the leading journal on nationalism, ethnicity, ethnic conflict and national identity in Central Europe, the Balkans, the former Soviet Union, the Caucasus, the Turkic world and Central Eurasia. Furthermore, the journal also publishes contributions on theories of nationalism, comparative studies of nationalism, and trans- and supranational aspects of interethnic relations and national identity. The journal publishes timely, high quality articles from a variety of disciplines, including history, political science, sociology, anthropology, and literature.

Nationalities Papers is the journal of the Association for the Study of Nationalities, bringing together scholars worldwide working on nationalism and ethnicity, Central and Eastern Europe, the Balkans and Eurasia.

All articles have undergone rigorous peer review, based on initial editor screening and double-blind refereeing by a minimum of two anonymous referees.

The journal welcomes submissions from multiple disciplines and different methodological approaches from scholars around the world. In addition to individual paper submissions, the journal also welcomes proposals for special symposia (3-5 articles) on specific regional or disciplinary themes. All symposia will undergo the same peer review process as other articles. Articles should be between 8,000 and 10,000 words in length (including notes and bibliography).

Inquiries. Direct all inquiries regarding articles and special symposia to the Editor: florian.bieber@uni-graz.at.

Electronic Submission. All submissions should be made online at the *Nationalities Papers* ScholarOne Manuscripts site (<http://mc.manuscriptcentral.com/CNAP>). New users should first create an account. Once a user is logged onto the site submissions should be made via the Author Centre. Authors should prepare and upload two versions of their manuscript. One should be a complete text, while in the second all document information identifying the author should be removed from files to allow them to be sent anonymously to referees. When uploading files authors will then be able to define the non-anonymous version as "File not for review".

Note to authors. Please make sure your contact address information is clearly visible on the outside of all packages you are sending to Editors. Authors should be mindful of the need to identify and reference quoted material – text, tables, and figures – clearly and consistently, and to secure written permission from the copyright holder as appropriate. <http://tandf.tandf.co.uk/journals/ethics.asp>

Free article access. As an author, you will receive free access to your article on Taylor & Francis Online. You will be given access to the My authored works section of Taylor & Francis Online, which shows you all your published articles. You can easily view, read, and download your published articles from there. In addition, if someone has cited your article, you will be able to see this information. We are committed to promoting and increasing the visibility of your article and have provided this guidance (<http://journalauthors.tandf.co.uk/beyondpublication/promotearticle.asp>) on how you can help.

Reprints and journal copies. Corresponding authors will receive a complimentary copy of the issue containing their article. Reprints can be ordered through Rightslink® when proofs are received. If you have any queries about reprints, please contact the Taylor & Francis Author Services team at reprints@tandf.co.uk. To order extra copies of the issue containing your article, please contact our Customer Services team at adhoc@tandf.co.uk.

Copyright. It is a condition of publication that all contributing authors grant to The Association for the Study of Nationalities the necessary rights to the copyright in all articles submitted to the Journal. Authors are required to sign an Article Publishing Agreement to facilitate this. This will ensure the widest dissemination and protection against copyright infringement of articles. The "article" is defined as comprising the final, definitive, and citable Version of Scholarly Record, and includes: (a) the accepted manuscript in its final and revised form, including the text, abstract, and all accompanying tables, illustrations, data; and (b) any supplementary material. Copyright policy is explained in detail at <http://journalauthors.tandf.co.uk/preparation/copyright.asp>.

Authors are themselves responsible for obtaining permission to reproduce copyright material from other sources.
