The British and Irish Association of Law Librarians was founded in 1969 to promote the better administration and exploitation of law libraries and legal information units.

Full membership is open to persons and institutions engaged in the provision or exploitation of legal literature. Associate membership is open to individuals and institutions not so engaged, but who support the aims of the Association. Members are entitled to participate in Association activities, about which they are automatically notified.

Further information and membership application forms may be obtained from admin@biall.org.uk

Editorial Board Mission Statement and Aims

Mission Statement

Legal Information Management is the principal journal for library and information professionals in the field of legal information management in the UK and Ireland

Aims

- To focus on the needs of British and Irish law librarians and legal information professionals
- To raise the profile of BIALL
- To be **the** platform for current developments in legal information management

Objectives

- To increase the appeal of the journal by offering a mix of ideas and subjects
- To be a means of continuing professional development for legal information professionals through the range of articles covered
- To provide a balanced coverage of areas of interest to different groups of members
- To ensure that the journal is cross-jurisdictional in coverage
- To ensure that the journal includes an international outlook
- To provide refereed articles
- To be a means of communication between and with members and Committees within BIALL and with organisations outwith BIALL

CLR
