

DR. J. COLLIS BROWNE'S CHLORODYNE.

ORIGINAL AND ONLY GENUINE.

COUGH,
COLDS,
ASTHMA,
BRONCHITIS.

DR. J. COLLIS BROWNE'S CHLORODYNE.—This wonderful remedy was discovered by Dr. J. COLLIS BROWNE, and the word Chlorodyne coined by him expressly to designate it alone and nothing else. There never has been a remedy so vastly beneficial to suffering humanity, and it is a subject of deep concern to the public that they should not be imposed upon by having imitations pressed upon them on account of cheapness, and as being the same thing. Dr. J. COLLIS BROWNE'S CHLORODYNE is a totally distinct thing from the spurious compounds called Chlorodyne, the use of which only ends in disappointment and failure.

DR. J. COLLIS BROWNE'S CHLORODYNE.—Vice Chancellor Sir W. PAGE WOOD STATED PUBLICLY in Court that Dr. J. COLLIS BROWNE was UNDOUBTEDLY the INVENTOR of CHLORODYNE, that the whole story of the defendant was deliberately untrue, and he regretted to say it had been sworn to.—See *The Times*, July 13th, 1864.

DR. J. COLLIS BROWNE'S CHLORODYNE is a LIQUID MEDICINE which ASSUAGES PAIN of EVERY KIND, affords a calm, refreshing sleep, WITHOUT HEADACHE, and INVIGORATES the NERVOUS SYSTEM when exhausted.

DR. J. COLLIS BROWNE'S CHLORODYNE rapidly cuts short all attacks of
EPILEPSY SPASMS, COLIC,
PALPITATION, HYSTERIA.

The GENERAL BOARD OF HEALTH, London, REPORT that it ACTS as a CHARM, one dose generally sufficient.

DR. J. COLLIS BROWNE'S CHLORODYNE is the
GREAT SPECIFIC for
CHOLERA, DYSENTERY,
DIARRHŒA.

Dr. GIBBON, Army Medical Staff, Calcutta, states:—"TWO DOSES COMPLETELY CURED ME OF DIARRHŒA."

DR. J. COLLIS BROWNE'S CHLORODYNE is the TRUE PALLIATIVE in
NEURALGIA, GOUT,
CANCER,
TOOTHACHE, RHEUMATISM.

From Dr. B. J. BOULTON and Co., Horn-castle.

"We have made pretty extensive use of Chlorodyne in our practice lately, and look upon it as an excellent direct Sedative and Anti-Spasmodic. It seems to allay pain and irritation in whatever organ, and from whatever cause. It induces a feeling of comfort and quietude not obtainable by any other remedy, and it seems to possess this great advantage over all other Sedatives, that it leaves no unpleasant after-effects."

IMPORTANT CAUTION.
 The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS.

N.B.—EVERY BOTTLE OF GENUINE CHLORODYNE BEARS on the GOVERNMENT STAMP the NAME of the INVENTOR,

THE FAITH OF ISLÁM.

By the Rev. E. SELL,

Fellow of the University of Madras.

"The faith described by Mr. Sell is that form most prevalent in India, but it is practically the same in Egypt and Turkey. The *Faith of Islam* is modern Mohammadanism—about as like the faith of Mohammad himself as the religion of Knox or Laud., of the Church Association or the Church Union, are like the Christianity of the Gospels; but, nevertheless, modern Mohammadanism is what we need most to understand thoroughly at present."—*Academy*.

THE LIGHT OF ASIA;

Or, The Great Renunciation.

Being the Life and Teaching of Gautama, Prince of India and Founder of Buddhism.

TOLD IN VERSE BY AN INDIAN BUDDHIST.

By EDWIN ARNOLD, C.S.I., Author of "The Indian Song of Songs."

"Mr. Edwin Arnold's poem, the 'Light of Asia,' is the most sympathetic account ever published in Europe of the life and teaching of the Saky Sainit, Prince Gautama Siddhartha, the Lord Buddha. . . . It is beyond the scope of the present review to enter into any explanation of the *Dharma* (Law of Righteousness), *Karma*, *Nirvana*, and other tenets and precepts of Buddhism. They will be found summed up in Buddha's 'Sermon on the Mount,' the poetical paraphrase of which in Mr. Arnold's 'Light of Asia' is one of the most interesting chapters of his book."—*Times*.

"With much skill Mr. Arnold has illustrated his narrative with a series of Indian pictures, the fascination of which will be felt by those who know India."—*Pall Mall Gazette*.

"In fact, in reading this remarkable poem, many will in imagination be transported again to the East, or revive with pleasure, in wonderful freshness, long dormant memories of that far-off land."—*Observer*.

"Its tone is so lofty that there is nothing with which to compare it but the New Testament; it is full of variety, now picture-que, now pathetic, now rising into the noblest realms of thought and aspiration."—OLIVER WENDELL HOLMES, *International Review*.

"The Light of Asia' is altogether without a rival in contemporary literature. No such poem has appeared since 'Childe Harold.'"—*The Pioneer*, Allahabad.

"In Mr. Edwin Arnold Indian poetry and Indian thought have at length found a worthy English exponent."—*Calcutta Englishman*.

"A poem equally striking for the novelty of its conception, its vigour of execution, and the exquisite beauty of its descriptive passages."—*New York Daily Tribune*.
