JOURNAL COVER

We are investigating different options for the cover of the Journal and thought it might be appropriate to include pictures of major Canadian Cities and/or Universities as taken by our readers.

If you are interested in submitting pictures, please send them to maggie-mccallion@cnsfederation.org in high resolution format, (i.e. tif or jpeg). Please also indicate your willingness to provide these pictures free of charge. Picture 'acknowledgement' will be provided.

EARLY COMMITTED SPONSORS FOR 2009

The Canadian Neurological Sciences Federation is pleased to recognize those Sponsors who have already committed to supporting the 2009 Congress. These organizations partner with CNSF to determine the causes of, and develop treatment for diseases and injuries of the nervous system, and in the care of patients with these diseases and injuries. Along with support of the Canadian Journal of Neurological Sciences and other initiatives the CNSF maintains throughout the year, these organizations graciously provided unrestricted educational grants to the Annual Congress, this year in Halifax, Nova Scotia, June 9-12, 2009.

CONGRESS SPONSORSHIP AND EXHIBITOR OPPORTUNITIES

The Canadian Neurological Sciences Federation's Congress is the largest educational forum and industry show in the country for neurologists, neurosurgeons, child neurologists, neuroradiologists and neurophysiologists. Representing the largest and most diverse neuro-specialist groups in Canada, the Halifax Congress in June 2009 will again feature exceptionally strong science and hold undeniable corporate value for our industry partners.

If you and your organization would like more information, or would like to discuss how you can partner with CNSF and meaningfully connect with our Congress delegates, please call or email Brett Windle, Corporate Development Coordinator at (403) 229-9544 or brett-windle@cnsfederation.org

Join Canada's pharmaceutical and equipment manufacturing leaders in the neurosciences by showing your support for continuing education and lifelong learning.
