KEY TO AMERICAN CHOICES IN CENTRAL AMERICA AND THE CARIBBEAN

Cuba: From Columbus To Castro

Dr. Jaime Suchlicki, Director, Institute of Interamerican Studies, University of Miami

This Classic Second Edition Brings Castro's Cuba to Life

In this detailed and objective analysis of Cuba's development, Dr. Suchlicki examines Cuba's emergence as a Communist state and the role of the United States and the Soviet Union in Cuban developments. Numerous changes in Castro's Cuba dictated the need for this new, revised and enlarged edition of *Cuba: From Columbus to Castro*. This book describes how:

- Cuba's relations with the Soviet Union intensified
- the Kremlin applies considerable leverage on Cuban developments
- Castro shifted toward a domestic program of economic recovery
- Cuba increased its presence in the world

Dr. Suchlicki provides the historical backdrop for these developments and brings readers up-to-date with an in-depth analysis of recent events not found in other books about Cuba.

Here's What The Experts Think About *Cuba: From Columbus To Castro*

"A readable and concise, but thorough and scholarly account of historical events in Cuba. . . . A very useful addition to the literature in Cuban studies."

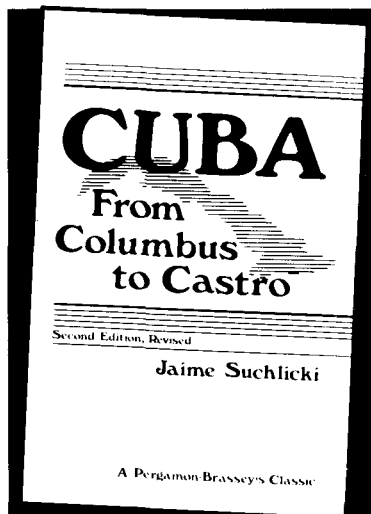

—Federico Gil, Institute of Latin American Studies, University of North Carolina

"No student of Latin American affairs can afford to ignore the Cuban revolution, which has had significant repercussions in every country of the area. Here is what students and teachers have long been waiting for: a concise, admirably lucid history of the island from Columbus up to and including the new revolutionary Cuban state of our days."

—Ernst Halperin, Fletcher School of Law and Diplomacy

"The book is short but detailed and sophisticated, written in a vivid style (it read like a novel), well balanced, and objective. It goes beyond mere description to analyze causes of important turns in the history of the island."

—Carmelo Mesa-Lago, Center for Latin American Studies, University of Pittsburgh

Policy: The JOURNAL OF INTERAMERICAN STUDIES AND WORLD AFFAIRS will publish articles dealing primarily with contemporary U.S.-Latin American relations, U.S. foreign policy towards Latin America, relations between Latin American nations, as well as with their relations with the rest of the world. Articles will also be considered that deal with Latin American internal affairs when such have clear implications for foreign policy. In addition, the editors will welcome articles from both scholars and public figures, from all parts of the world, that deal with the political, economic, cultural and social aspects of Latin American interrelationships on a worldwide basis.

All articles submitted to the JOURNAL will be subject to review by qualified referees before being accepted for publication.

Manuscripts should be submitted in duplicate to: Editor, JOURNAL OF INTERAMERICAN STUDIES AND WORLD AFFAIRS, P.O. Box 248134, University of Miami, Coral Gables, FL 33124. Manuscripts should be typewritten, double spaced, with footnotes, references, tables, and charts on separate pages and should follow the current JOURNAL style. Tables and charts should be of camera-ready quality. A brief biographical paragraph describing the author's current affiliation and recent publications (and/or research interests) should accompany the manuscript. Correspondence regarding book reviews should be directed to the Book Review Editor at the above address.
