T.M.C. Asser Instituut - Institute for Private and Public International Law, International Commercial Arbitration and European Law

Institute Address: R.J. Schimmelpennincklaan 20-22, The Hague, The Netherlands; Mailing Address: P.O. Box 30461, 2500 GL The Hague, The Netherlands; Tel.: (31-70)3420300; Fax: (31-70)3420359; Internet: www.asser.nl.

Over thirty years, the T.M.C. Asser Institute has developed into a leading scientific research institute in the field of international law. It covers private international law, public international law, including international humanitarian law, the law of the European Union, the law of international commercial arbitration and increasingly, also, international economic law and the law of international commerce. Conducting scientific research, either fundamental or applied, in the aforementioned domains, is the main activity of the Institute. In addition, the Institute organizes congresses and postgraduate courses, undertakes contract-research and operates its own publishing house.

Because of its inter-university background, the Institute often cooperates with Dutch law faculties as well as with various national and foreign institutions. The Institute organizes *Asser College Europe*, a project in cooperation with East and Central European countries whereby research and educational projects are organized and implemented.
