NEW TITLES IN INTERNATIONAL LAW

*Announcing a Major New Reference Work in Public International Law*

## THE MAX PLANCK ENCYCLOPEDIA OF PUBLIC INTERNATIONAL LAW

FULLY REVISED AND UPDATED PRINT EDITION – 10 VOLUME SET

**General Editor:** Rüdiger Wolfrum, *Director of the Max Planck Institute for Comparative Public Law and International Law*

**“This monumental resource will be useful for scholarly researchers and practitioners in the area of public and international law.”**

—Shannon Graff Hysell, *American Reference Books Annual*

Written by over 800 of the world's leading authorities and edited at the premier research institution for international law, this new edition of the definitive reference work on international law contains over 1,600 articles covering the full breadth of the subject. Articles address the history and theory of international law; all sub-fields such as international criminal law, environmental law, and economic law; leading cases; and significant treaties, organizations, armed conflicts, and geographical issues.

Each article contains cross-references to related articles, and includes a carefully selected bibliography of the most important writings and primary materials as a guide to further reading. Every article has been thoroughly peer reviewed giving readers total confidence in the quality and accuracy of the content.

### FEATURES

- Print edition of the leading reference work in international law
- Written by over 800 scholars and practitioners drawn from all over the world
- Recommended for practitioners, scholarly researchers, professors and students of international law
- Each article has been rigorously peer reviewed by the members of the advisory board with relevant specialist expertise
- Reflects modern developments with greatly increased coverage of international criminal law, international dispute settlement, trade law and environmental law
- More than 700 new topics not covered in the previous edition
