JOURNAL OF INTERNATIONAL AFFAIRS

THE MAKING OF FOREIGN POLICY IN CHINA

by **A. Doak Barnett**

A systematic analysis of the process and structure by which China's foreign policy is made, drawing on extensive research by one of the West's foremost China specialists. Essential to understanding Sino-Soviet and Anglo-Chinese relations as well as China's role in the Third World.

CHINESE DEMOCRACY

Andrew J. Nathan

What do the Chinese mean by "democracy"? The author traces the history of democracy as it is understood in China, providing both an engrossing history of evolving Chinese political institutions and an enlightening contrast with democracy as it is understood in the West. In the process he sheds new light on recent political and economic liberalization in China.

Books from Oxford

Classic Guides to the East

By the 1890s, the first European tourists had arrived in Hong Kong and Singapore. The next forty years saw a large increase in the number of visitors to the once-impenetrable East. Oxford is now publishing a number of the earliest guide books to the area, complete with new introductions, photographs, and maps.

Other titles of interest

A Photographer in Old Peking

Hedda Morrison

With a foreword by Professor Wang Gungwu

This rare collection of photographs taken in Peking between 1933 and 1946 offers a fascinating view into life in the city in the years preceding the Communist revolution of 1949. The sympathetic approach of the photographer, Hedda Morrison, to her subjects is readily apparent in the large number of photographs showing Chinese from all walks of life, at work and at leisure.

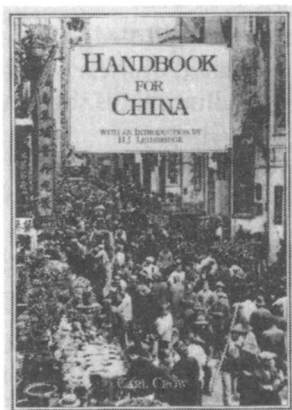

£14.95

Twelve Hong Kong Walks

Derek Kemp

This is a unique guide book to Hong Kong and its flora. It describes twelve walks, most of them off the beaten track, and the plants and flowers to be seen along the way.

£25.50 Hardback 336pp 0-674-94594-8

The World of Thought in Ancient China

BENJAMIN I. SCHWARTZ

The centre of this prodigious work of scholarship is a fresh examination of the range of Chinese thought during the formative period of Chinese culture. Schwartz looks at surviving texts of this period with a particular focus on the range of diversity to be found in them.

Remembrances

The Experience of the Past in Classical Chinese Literature

STEPHEN OWEN

The past has always played a particularly powerful role in Chinese civilization. Both private memories and cultural artifacts were an inseparable part of the present. Owen here shows how the fascination with the past came into being in Chinese literature, and some of the forms it took.
