On the Cover: Detectorists queuing to report their discoveries to staff and volunteers of the Portable Antiquities Scheme at Detectival 2018. Held in Oxfordshire (UK), the rally attracted around 1,000 detectorists from across Europe who had access to several hundred hectares over two days. European detectorists wishing to take their discoveries home were required to submit their finds to Detectival rally staff as part of the Export License process. Nearly 300 artifacts ranging in date from the Neolithic to post-medieval periods were recorded over the weekend. Photograph by Anni Byard.
