

Volume 29 Number 1

2004

Children

Australia

In this issue ...

Measuring knowledge of child development

Differences between parents according to gender, generation and education

Why don't fathers attend parent education programs?

Situating NEWPIN in the context of parent education and support models

Return to type?

Problems in the identification of 'antisocial behaviours' in children and young people

Looking for and replicating model programs for 'at risk' children and families

Children Australia

Volume 29 2004

Children Australia is a quarterly journal which aims to provide an opportunity for service providers, academics and others concerned with children and families to report on their work, to raise issues and to share their views.

The opinions expressed in *Children Australia* are those of its contributors, and are therefore not necessarily endorsed by the Editor or members of the editorial board.
