CURRENT WORK IN THE HISTORY OF MEDICINE
An International Bibliography

A quarterly subject list of current references to articles in periodicals throughout the world. A list of books published in each quarter is also included. A notable feature of this index is that authors' addresses are given so that reprints may be obtained direct.

Current work has been published regularly since January 1954 and is available on an annual subscription.

Annual subscription	£4.00
Single copies	£1.40
