

PREFACE

The IAU Symposium No. 48, 'Rotation of the Earth' was held in Morioka, Japan, from 9 to 15 May 1971 at the invitation of Dr T. Okuda, the Director of the International Latitude Observatory of Mizusawa. The meeting was sponsored by Commission 19 (Rotation of the Earth) and co-sponsored by the International Association of Geodesy. The Scientific Organizing Committee included Prof. P. Melchior (Chairman), Dr H. M. Smith, Prof. E. P. Fedorov, Dr B. Guinot, Prof. Y. Kozai, Prof. W. Markowitz, Dr T. Okuda, Dr C. Sugawa, Dr R. O. Vicente and Dr S. Yumi. The Local Organizing Committee included Dr T. Okuda (Chairman), Dr S. Yumi (General Secretary), Dr Y. Harada, Prof. S. Iijima, Dr K. Kawakami, Prof. Y. Kozai, Dr C. Sugawa, Dr S. Takagi, Prof. H. Takeuchi, Prof. I. Tsubokawa and Prof. M. Torao.

The Symposium was supported financially by the IAU, the Japanese Ministry of Education, the Science Council of Japan, the Astronomical Society of Japan and the Geodetic Society of Japan.

The Proceedings have been edited by Prof. P. Melchior and Dr S. Yumi, with the cooperation of Lady Jeffreys.

G. CONTOPOULOS
*Assistant General Secretary
of the IAU*
