Bulk Article Reprints

Reprints of articles published in this journal can be purchased for use by your company or organisation. These reprints can be produced as straight article reprints or with custom designed covers and, if required, the sponsor's name printed on or inside the cover. Reprints represent a versatile sales tool for the distribution of up-to-date information on your particular areas – via your sales force, direct mail campaigns and as handouts at major conferences and commercial exhibitions. Reprints can usually be delivered to clients 2-4 weeks after the receipt of the order.

Fetal and Maternal Medicine Review

Editor-in-chief

Stephen Robson, Fetal Medicine Unit, Royal Victoria Infirmary, Newcastle upon Tyne, UK

Fetal and Maternal Medicine Review publishes high-quality reviews drawn from all relevant disciplines in this rapidly expanding field. Each issue includes a selection of clinical and research reviews from experts in the field. Rapid publication and a deliberate preference for authors currently active in research ensures this journal has immediate relevance to contemporary clinical practice. Subject areas covered include fetal medicine, maternal medicine, neonatology, obstetric anaesthesia, epidemiology and basic science. It is essential reading for all engaged in the care of pregnant women and neonates, including obstetricians and neonatologists, postgraduates training for specialist careers, specialist nursing and midwifery staff.
