INSANITY IN ANCIENT AND MODERN LIFE.
WITH CHAPTERS ON ITS PREVENTION. By D. HACK TUKE, M.D.

"A work like this, embodying the matured conclusions of thoughtful study and extensive observation, free from dogmatism and exaggeration, from sensational statements and vicious logic, is always welcome. So much has appeared on this subject abounding in pernicious errors, that the value of a good book like this can scarcely be over estimated."—*The American Journal of the Medical Sciences*, July, 1878.

"Dr. Hack Tuke has lately given to the public another of the books which while interesting and suggestive to the medical practitioner are highly instructive to the public at large. The present work, like those we already owe to the same author, exhibits deep research in various directions, and teems with allusions and quotations which prove the author to be not only an accomplished psychological physician, but a scholar of no mean order. In conclusion, we have to thank Dr. Tuke for an interesting and suggestive work."—*Medical Times and Gazette*, June 15, 1878.

A MANUAL OF NECROSCOPY: OR, A GUIDE TO POST MORTEM EXAMINATIONS, with Notes on the Morbid Appearances, and Suggestions for Medico-Legal Examinations.

By A. H. NEWTH, M.D.

"This Manual may be confidently recommended, and will, we are inclined to think, supply a want felt by the general body of the profession."—*Lancet*.

"Embraces in its scope a systematic arrangement of the lesions which may be met with in post mortem investigations. Considering the restricted limits within which the author has apportioned his task, we consider that he has done his work thoroughly and well."—*London Medical Record*.

"This very useful book supplies a well recognized want. The author treats in a singularly able and lucid manner of those points which a student or practitioner requires to have at his finger ends in the Post-mortem Room. Much valuable information is found in all parts of the book, which is exactly the thing for all who are pursuing any pathological work."—*Guy's Hospital Gazette*.
