THE
GLASGOW MEDICAL JOURNAL,
PUBLISHED QUARTERLY.

GLASGOW: DUNN AND WRIGHT, WEST NILE STREET.

In a few days, 8vo., nearly 500 pp.,

THE MARRIAGE OF NEAR KIN considered with
respect to the Laws of Nations, Results of Experience, and the Teaching of
Biology.

By ALFRED H. HUTH.

J. & A. CHURCHILL, New Burlington Street.

8vo, 14s.

ILLUSTRATIONS of the INFLUENCE of the MIND
Upon the BODY.—By DANIEL HACK TUKE, M.D.

“ Dr. Tuke has written a history of the powerful influence exerted by the Imagination, placed beyond a doubt the importance of this too much neglected therapeutic agent (which is not confined to a single untried-for cure), and has very much narrowed the area of the marvellous.”—Brierre de Boismont in the “*Annales Médico-Psychologiques*.”

“ Dr. Tuke's style is so singularly clear, and his topics so strongly appeal to every intelligent mind, that few will take up his book without becoming absorbed in its pages.”—Philadelphia Medical Times.

J. & A. CHURCHILL, New Burlington Street.

Third Edition, with 10 plates and 34 Wood Engravings, 8vo., 25s.

BUCKNILL AND TUKE'S MANUAL OF PSYCHOLOGICAL MEDICINE, containing the LUNACY LAWS, the NOSOLOGY, ETIOLOGY, STATISTICS, DESCRIPTION, DIAGNOSIS, PATHOLOGY, and TREATMENT of INSANITY, with CASES.

. This edition contains upwards of 200 pages of additional matter, and, in consequence of recent advances in Psychological Medicine, several chapters have been rewritten, bringing the Classification, Pathology, and Treatment of Insanity up to the present time.

“ We regard this Treatise on Psychological Medicine as by far the most complete in the English language.”—MED.-CHIR. REVIEW.

“ We can heartily commend the work. It is full, comprehensive, and in the main we can endorse its statements.”—AMER. JOURNAL OF INSANITY.

J. and A. CHURCHILL, New Burlington Street.
